Through the grace of God, His Grace Bishop Youssef will honor us with a visit on Saturday, September 27, 2008. Following the Vesper Prayers, His Grace will give a sermon on the book of Titus which is part of the 2008 Weekly Holy Bible Study that is continually made available for the masses. All of the previous Bible Studies are available through the Diocese of the Southern United States at [www.suscopts.org](http://www.suscopts.org). God willing, the Bible study will be broadcasted LIVE through the Diocese's website. In preparation for His Grace's visit, Fr. Isaac E. Bassily recommends studying the book of Titus prior to the visit. In an effort to support those goals a list of intriguing questions has been provided.
